Jag is an aspiring and dedicated director of photography who has worked in the live event filming industry for over 8 years. Ranging from corporate seminars, weddings and social events. He has worked on 3 short films and a feature film using DSLR cameras.

He was awarded best wedding videographer for the West Midlands & South of England in 2019 which reflects his dedication and commitment to visual media. You can view his work at [www.storycabin.co.uk](http://www.storycabin.co.uk). He started off learning photography and progressed on to video since leaving University with a BA in Animation (2:1).

Jag is based in the West Midlands and is currently learning about cinematography, directing, lighting and sound design. You can view his updated showreel [here](#).
